

# An Optic's Life

predict the D-day

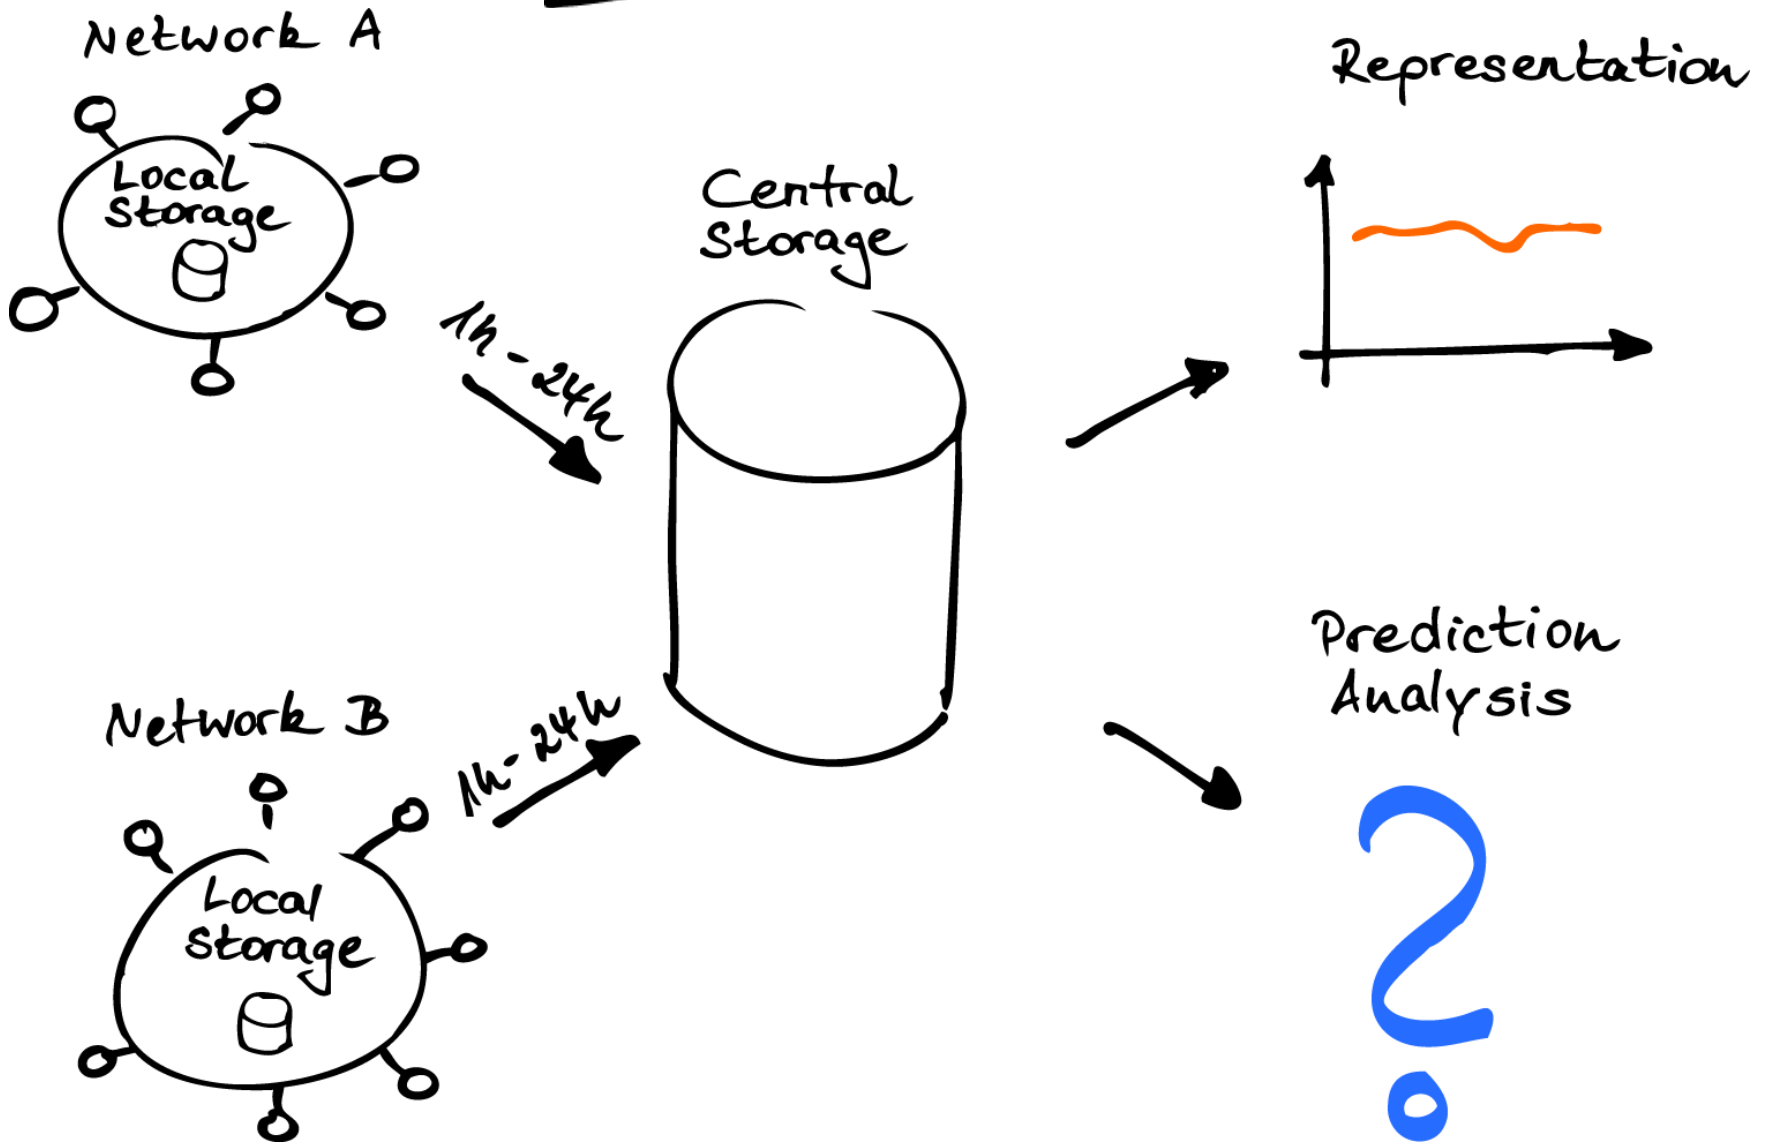

by Thomas Weible  
& Fearghas McKay

flexOptix  
project initiator

# Metrics

# Architecture

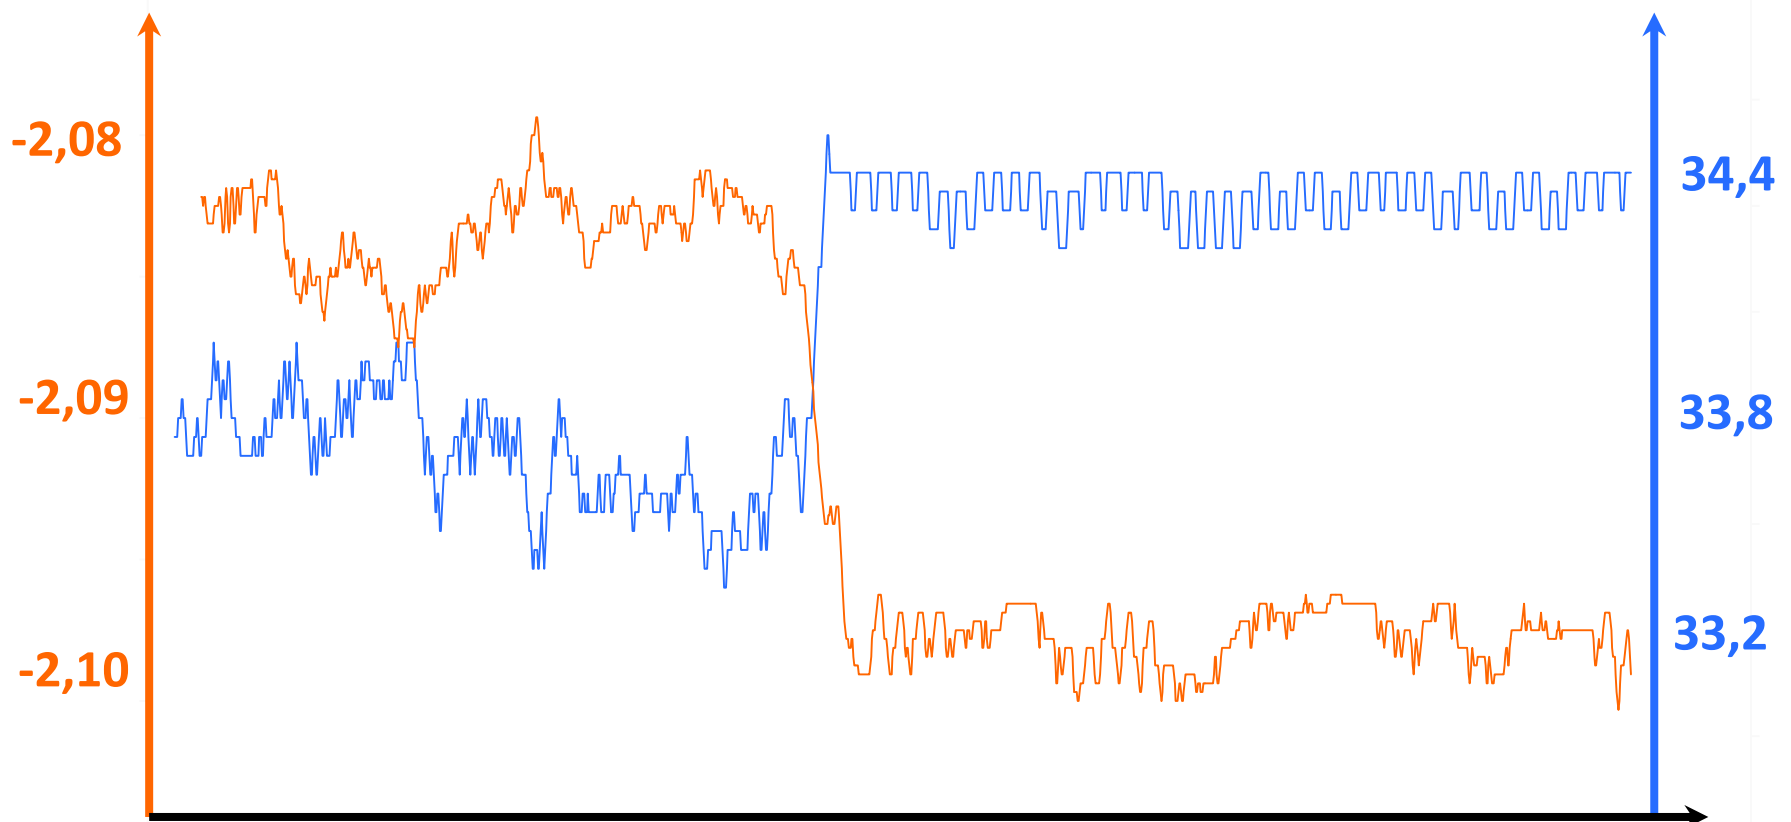

~~Theory~~

**Practice**

# First Result

TX powerlevel  
in dBm

Temperature  
in °C

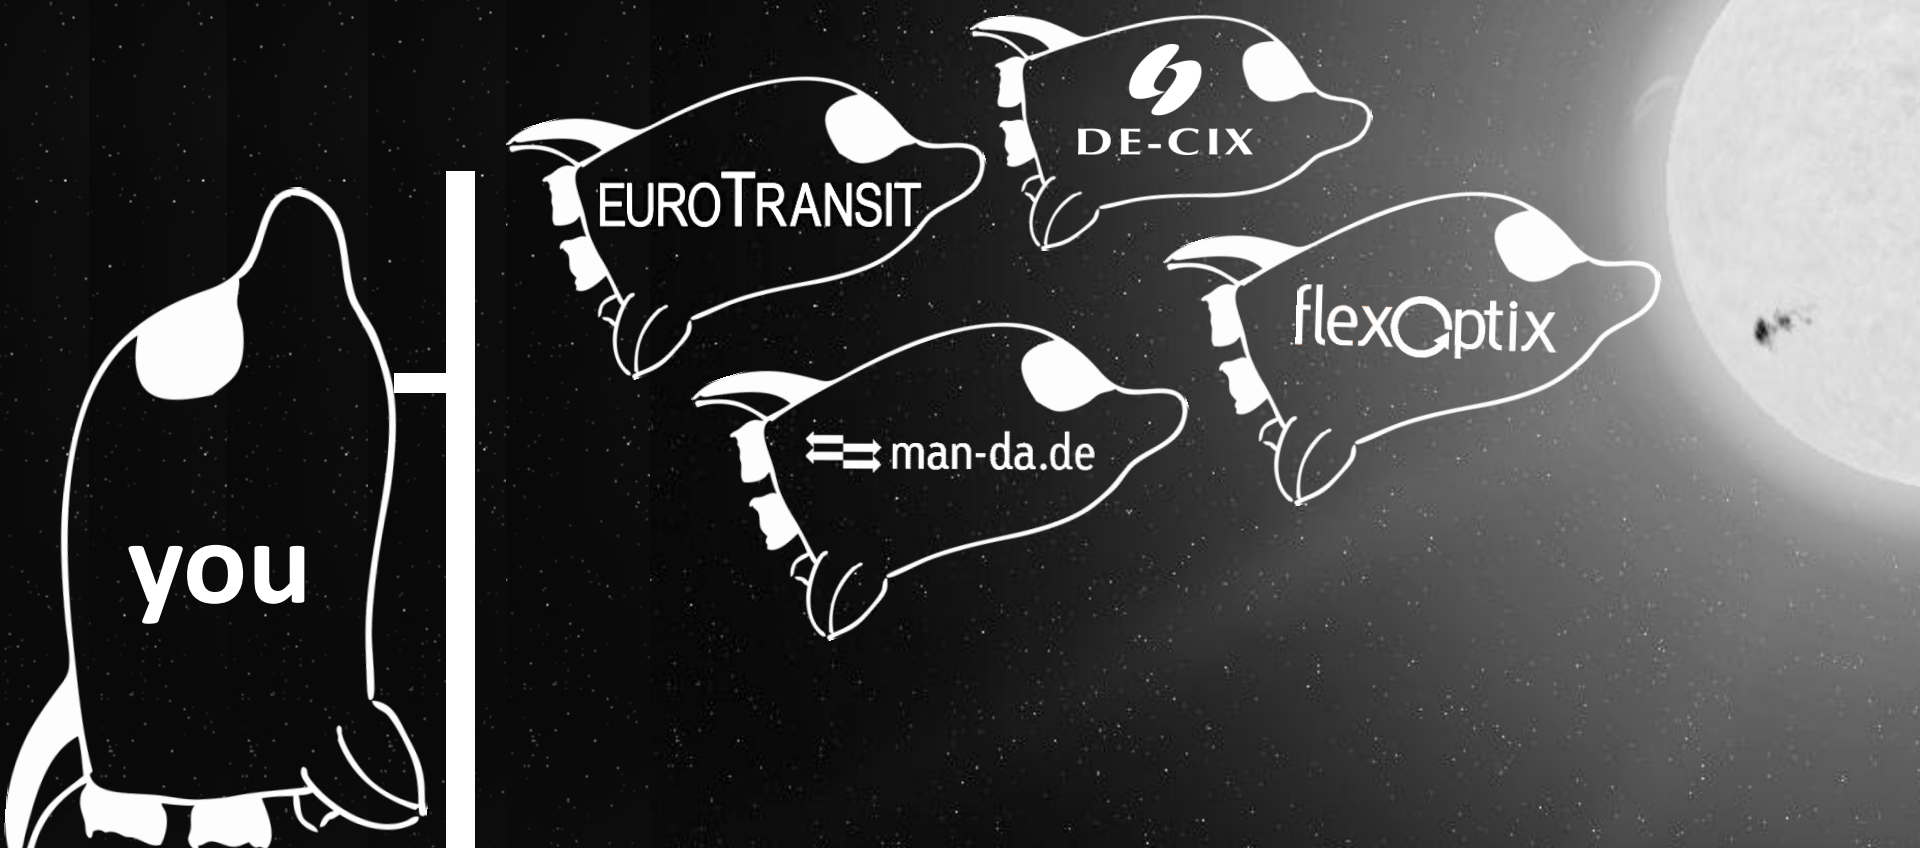

**t $\Delta$  = 26/10/2010 to 02/11/2010**

collected data from one 10Gig Ethernet SR interface @ man-da

# where to participate ?

**anopticslife@flexoptix.net**

**Goodbye dark side**

**Santa Claus was there  
in 2010 ...**

**thomas.weible@flexoptix.net  
fm@flexoptix.net**

**Thanks !**
