Directions to the East Stand Reception on arrival at the Stadium

Once you have entered Gate 11 (off Ashton New Road) follow the road till you come to a stop, where you can turn either right or left.

There will be a sign on your right pointing to your position 'you are here'.

You will see on the sign P7, this is Car Park 7 where you need to be parking for your event.

Turn left and follow the signs for Reebok City and Ticket Store.

You will notice as you are following the road round that the spiral towers of the Stadium have letters on them, you will need to follow these towers round to Entrance J, as Car Park 7 entrance is opposite. Once you have parked your vehicle the East Atrium is between Entrance E and Entrance G.

Please find attached a map of our stadium which I hope will explain these instructions.
